## Education

### State University

Bachelor of engineering in Electronics Communication and Engineering

Sep. 2024 – May 2028

Villupuram, Tamilnadu

### Relevant Coursework

- Graphics Designing
- Digital Electronics
- Signals and Systems
- AI/ML in ECE
- Communication Systems
- IoT
- VLSI Design
- HTML, CSS, JavaScript

## Experience

### Freelance Web Designer and Developer

May 2020 – August 2025

Self-Employed

Villupuram, Tamilnadu

- Designed and developed responsive websites for clients using HTML, CSS, JavaScript, and Wix Studio, ensuring modern UI/UX standards.
- Created interactive prototypes and branding materials using Figma, Canva, and Photoshop to meet client requirements.
- Integrated Google Maps API, forms, and basic automation scripts to enhance site functionality.
- Delivered optimized, mobile-friendly designs with SEO-friendly structures to improve client reach and engagement.

### Department Coordinator – English Literary Club (ELC)

Present

Mailam Engineering College

Villupuram, Tamilnadu

- Organized and led departmental literary and public-speaking events, increasing student participation and engagement.
- Coordinated with the core committee to plan and execute events, workshops, and competitions.
- Managed official LinkedIn updates for ELC, ensuring professional representation of departmental activities.
- Utilized Android Studio as a development environment in order to visualize the application in both iOS and Android.

## Projects

### TOURISTO – Journal Website | HTML, CSS, JavaScript

March 2024

- Created a travel-themed journal site with interactive UI and responsive layout.
